

Warranty Policy

We warrant that all work performed will be free of defects in material and workmanship, under normal use and service for a period of 90 days or 10,000 km whichever comes first or longer when specified.

Materials: All parts warranties are subject to approval of the terms of the respective manufacturer or provider. If the part was purchased and installed originally by TR-S and is deemed to be warrantable by the manufacturer or provider we will install the replacement with no labor charge.

Labor: We guarantee that our services will be performed in a skillful and workmanlike manor. If there is a problem resulting from the incorrect installation of parts we warrant that we will correct the deficiency within the terms prescribed by this document.

Definitions: Normal use and service means that the equipment has not been subject to misuse, neglect and that it has been properly maintained since the original service. This also means that no modifications have been undertaken that may reduce the longevity or service life of the equipment.

Limitations: This policy is limited and does not include fluids, filters, hardware, or wearable items that require replacement when warranty work is undertaken. Any warranty work undertaken cannot exceed the cost of the original repair. This policy does not cover the costs of towing and all warranty work must be performed by TR-S. Damage resulting from normal wear and tear or accidents is excluded.

Entire Agreement: This warranty constitutes the entire agreement between the customer and the shop regarding the subject matter hereof, and supersedes all prior or contemporaneous agreements and understandings, whether oral or written.

Severability: If any provision of this warranty is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable.
